## ***Pure South Australian Open Tennis Details and Notes sheet:***

### **Water Taxis**

Water Taxis depart from directly in front of Pure South restaurant beside the Southgate Footbridge (pictured), And dock directly across the street from Rod Laver Arena main entrance.

The trip on the water is only 5 or 6 minutes.

Pure South manages your Water Taxi booking for you, and it is included in the dining package price.

Pure South Water Taxi reservations are one-way, as tennis match duration varies wildly.

Return Trips are not included, however, they are available until late; just walk on board and pay on board.

Water Taxis to the Tennis depart from Pure South /Southgate approximately every 5 minutes, varying only if there are very large bookings.

### **Menus**

The details of the menu may vary due to the fresh produce supply that we rely on (to make us famous)

We vary the menu a little each day as some mad tennis fans take advantage of this package for several consecutive days.

### **Dining times**

Dinner service is from 5:30pm for the duration of the tennis; guests are welcome to gather for a drink earlier.

Lunch service is always from 12 noon

### **Parking**

Southgate Parking is a flat \$10.00 from 4pm, entrance off Southgate Avenue, park beneath the restaurant.

### **Tips!**

This has to be better than trying to park anywhere near Melbourne Park.

This has to be better than a hot tram or train; they are all packed chock-a-block!

Best timing: to book at 5:30pm, 2 course package at Pure South, enjoy entrée and main course, with time enough to really enjoy.

Take a water taxi at about 7pm-ish, the early dusk is perfect for a trip up the river, it is only 5 minutes on the water; .. and maybe eat an ice-cream at the tennis for dessert.
